About Bike JC

Bike JC is Jersey City's non-profit, volunteer-run bicycling and safe streets advocacy organization. Since 2009, Bike JC has been working with community members and elected officials to make Jersey City safer, more accessible, and more enjoyable for cyclists and pedestrians. We believe that improved cycling infrastructure is a key component of safer, healthier, and more sustainable cities.

What we do:

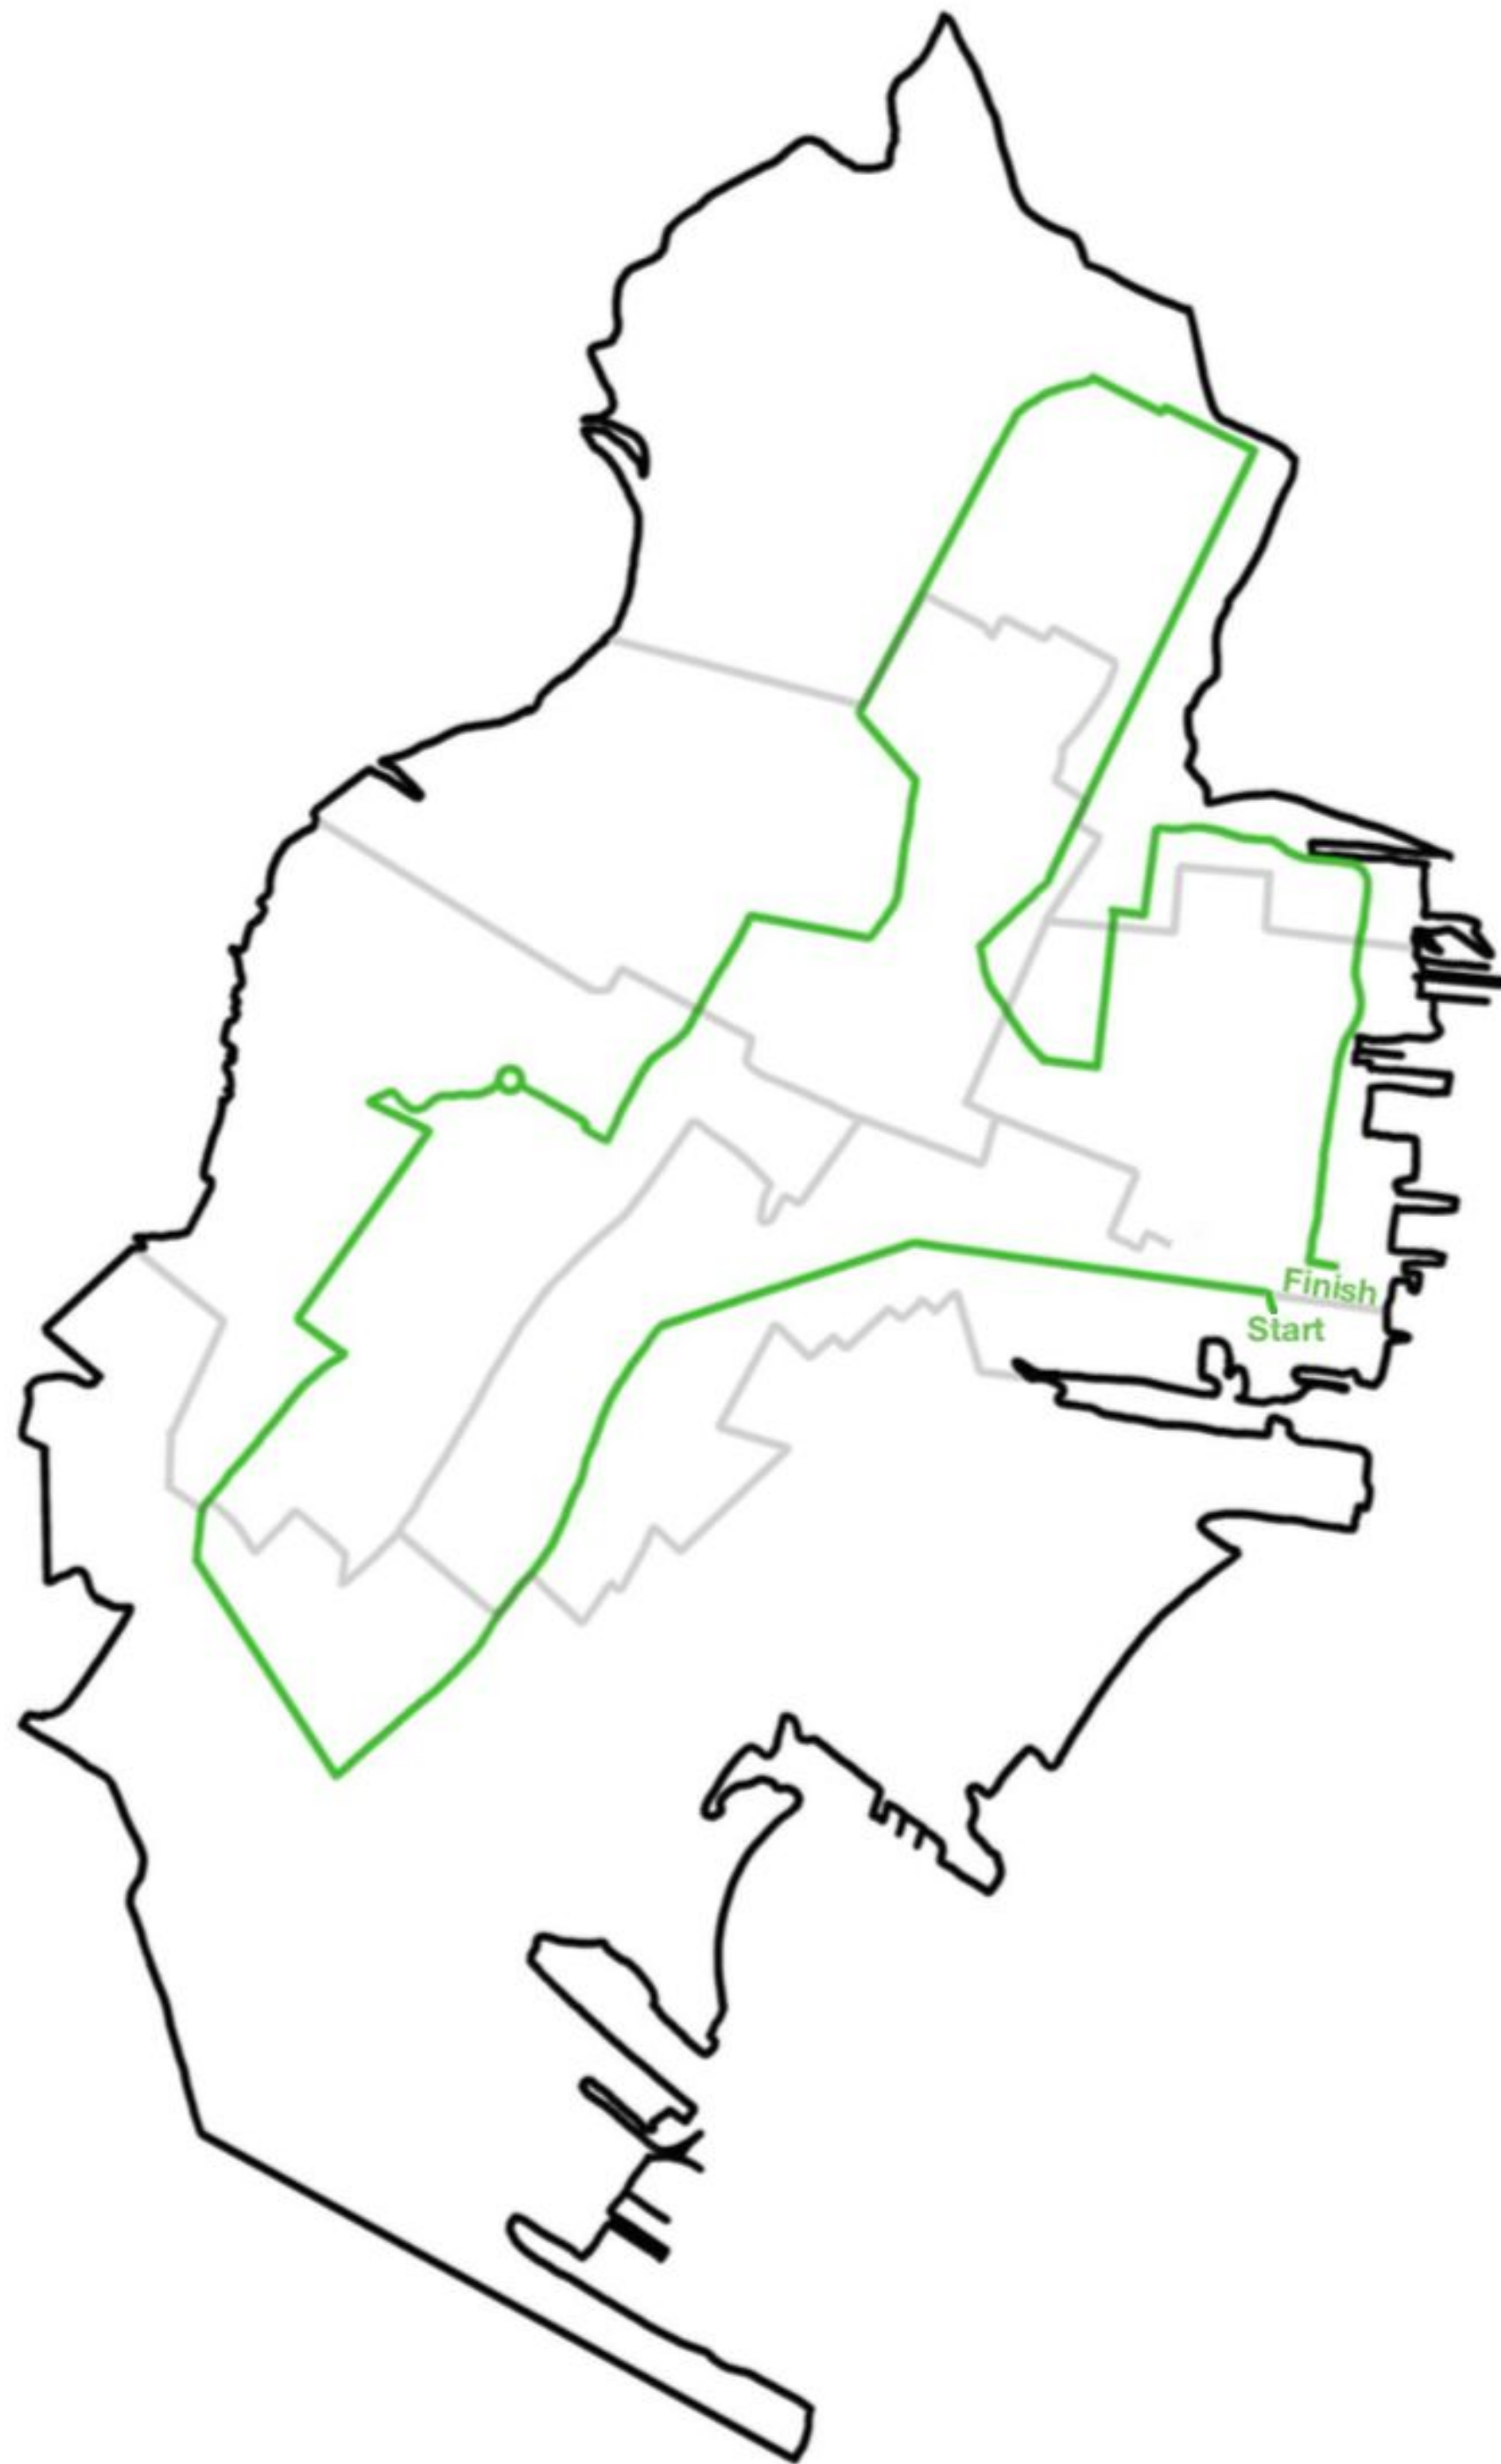

Rides: In addition to the Jersey City Ward Tour, Bike JC hosts monthly Light-Up Rides, specialty rides for advocacy, art and infrastructure tours, and more.

Bike Valet: Bike JC provides free, supervised bike parking at all major Jersey City events, including the Fourth of July, the Ghost of Uncle Joe's, and Jersey City Jazz Fest.

Free Bike Repair: Bike JC works with community groups and events to provide free bike repair. Skilled mechanics provide their time and knowledge, and sponsors and donors help to buy spares and supplies to help keep our community on the road.

Community Organizing: Bike JC engages community members to advocate for safer streets and better bike infrastructure throughout the city. In addition, we champion specific campaigns that improve cycling in Jersey City, such as bike lanes, bike parking, and safer streets.

And much more! Helmet giveaways, bike education training, kids rides, and more!

BIKE JC

Jersey City Ward Tour

Sunday June 7th, 2026

Ride starts and ends at Exchange Place.

**Check-In begins at 9:00 am, with the ride
departing at 11:00 am.**

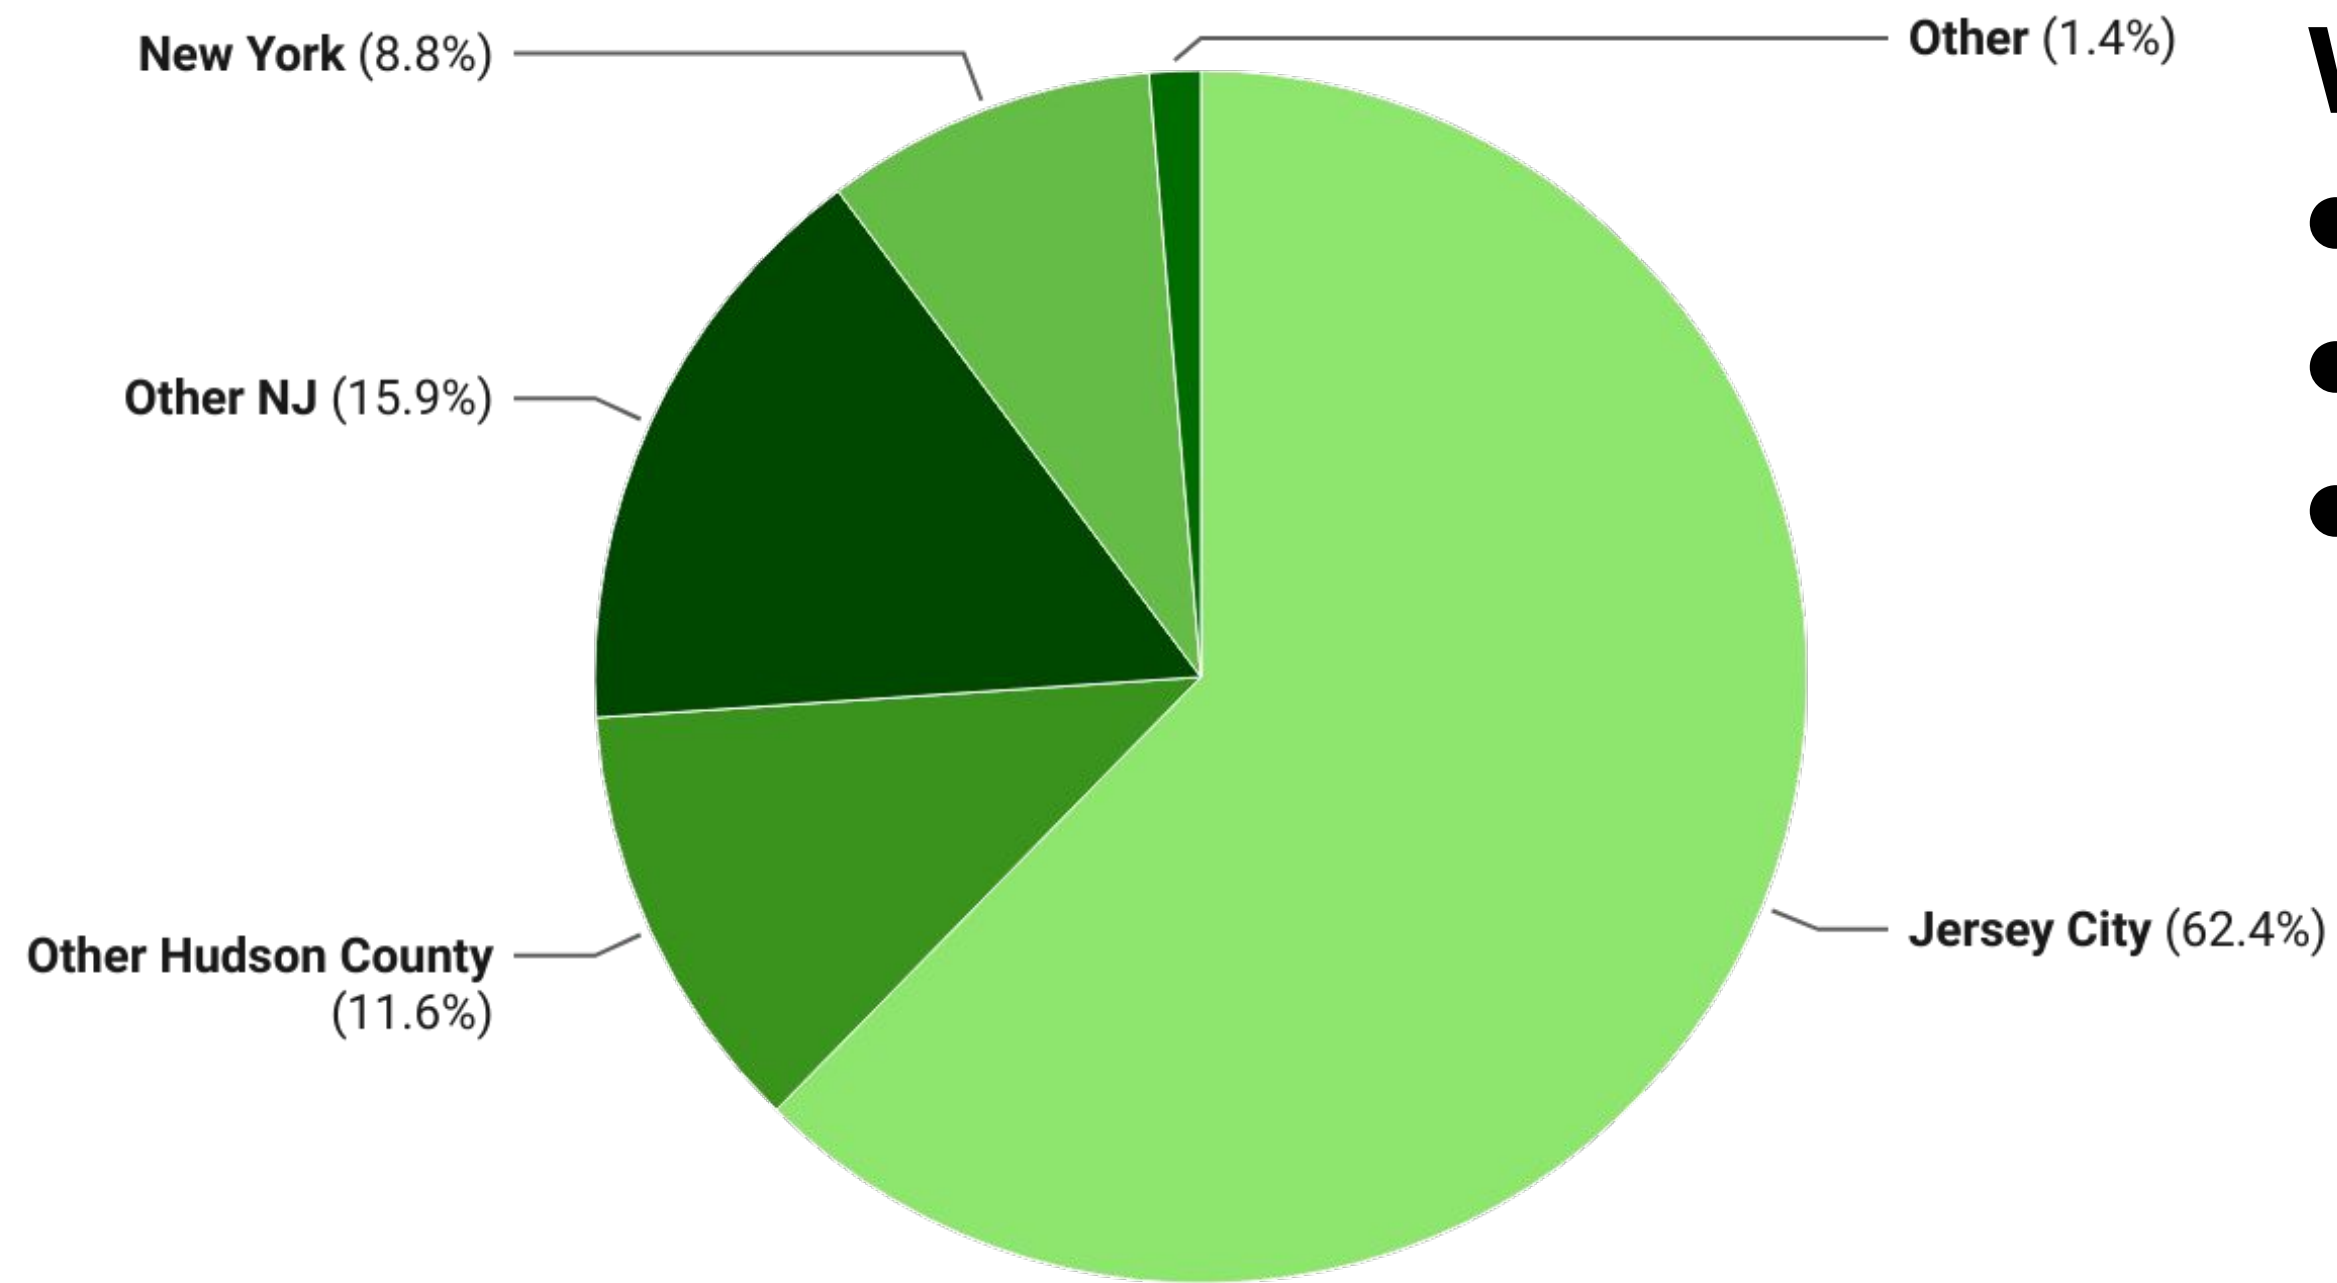

About the Ward Tour

The Ward Tour is Jersey City's premier cycling event, with over 3,000 riders taking a 15-mile ride through the city.

Cyclists of all ages and abilities come from all over the region to see the best that Jersey City has to offer, and participate in a fun and casual ride on closed streets.

2026 marks the 15th annual Ward Tour!

About Our Ward Tour Riders

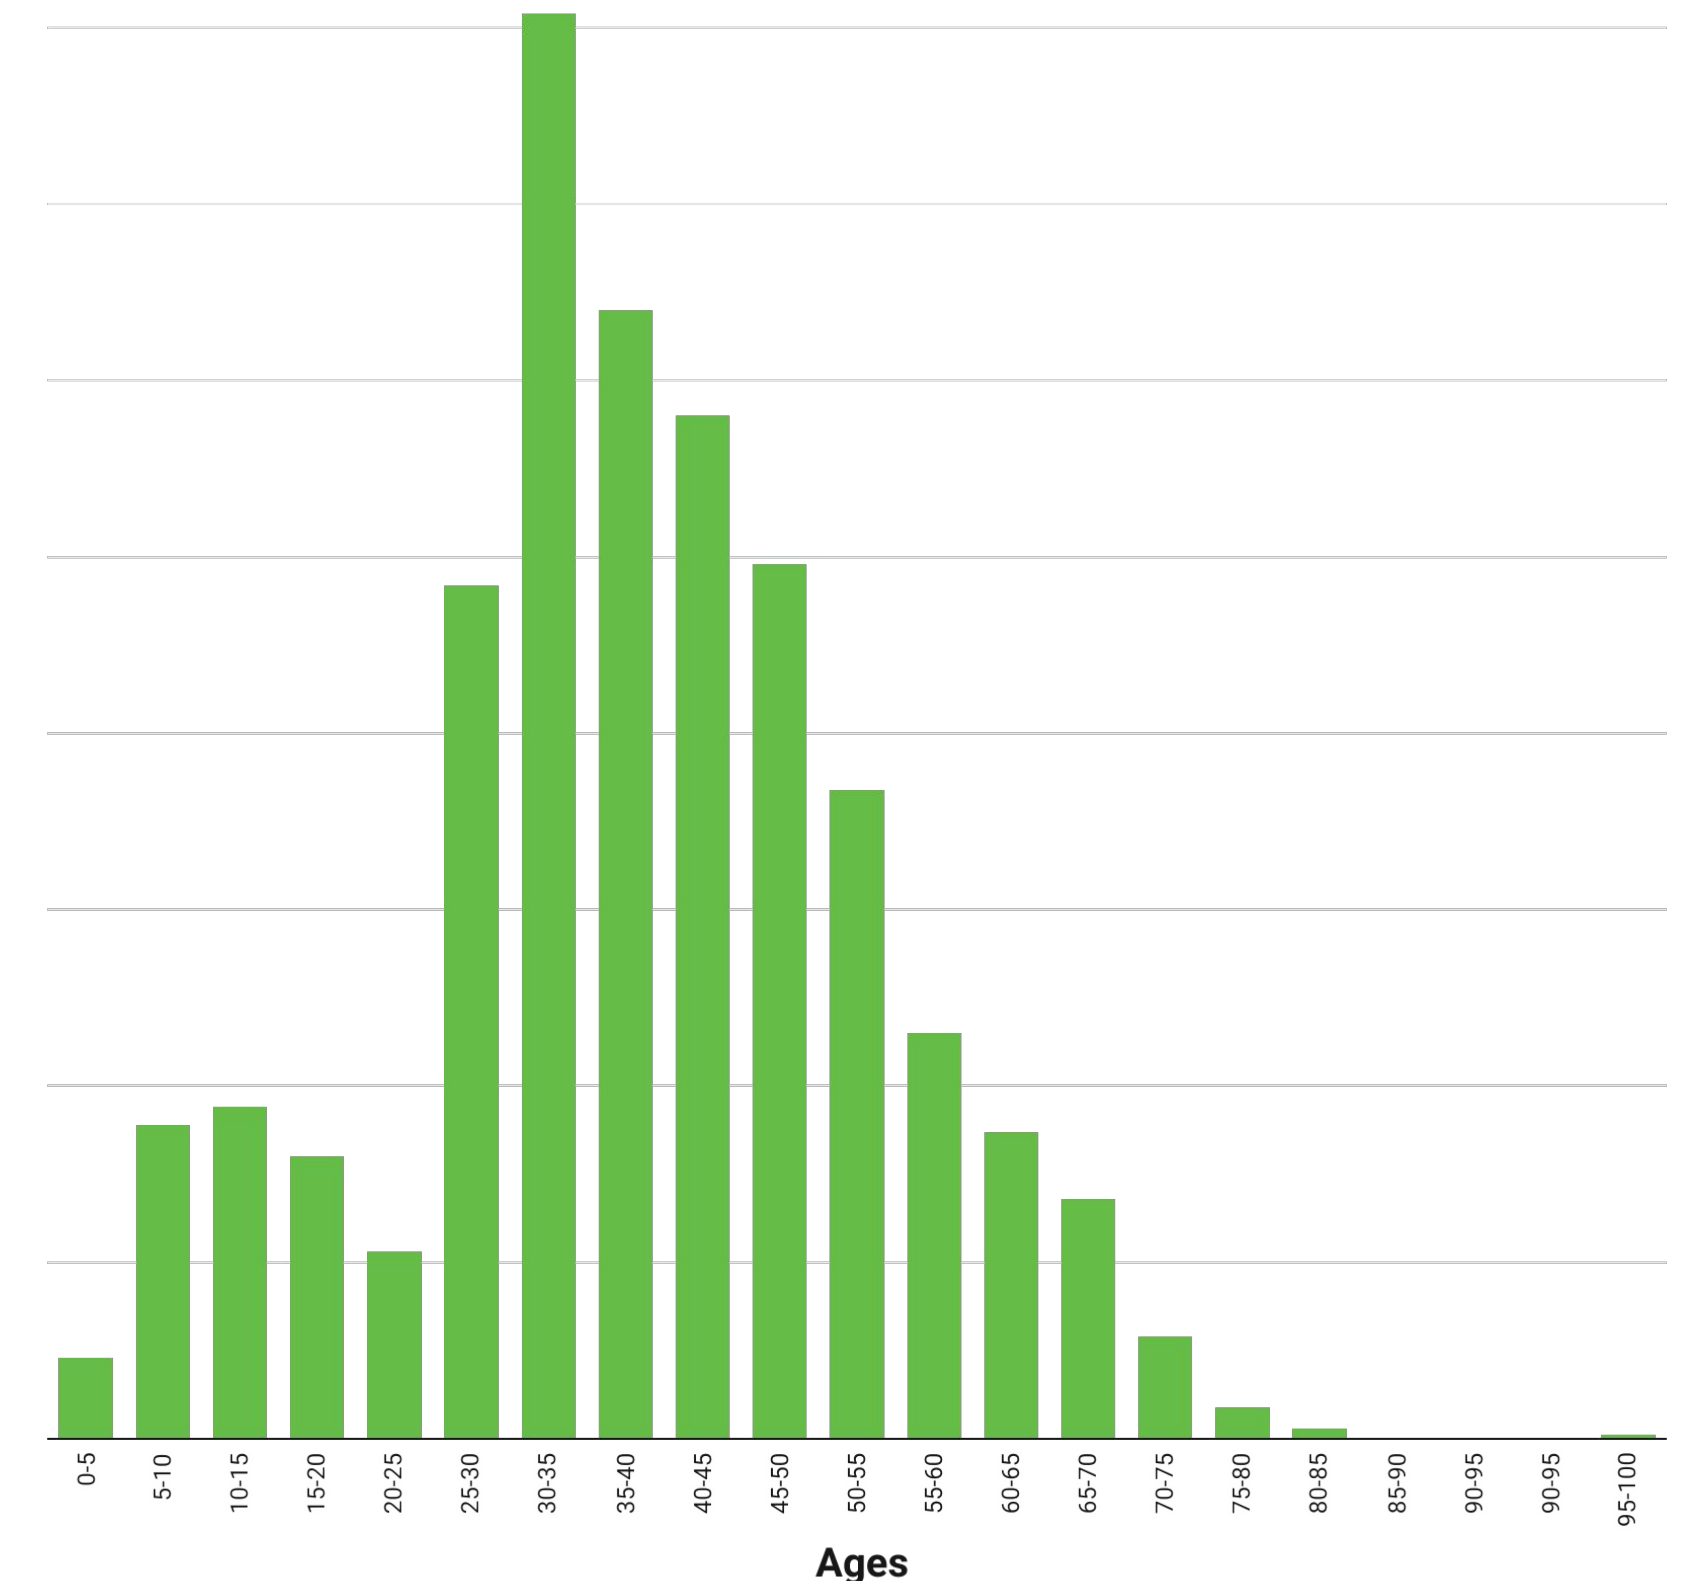

Where They're From

- 62.4% of riders are from Jersey City
- 89.9% of riders from New Jersey
- Registrants from 13 states and over 200 cities

Rider Ages

- Participants from 8 months to 96 years old
- 89% of riders over 18
- 54% of riders are 25-45 years old

Why your support matters

The Jersey City Ward Tour is Bike JC's primary fundraiser to support all of our year-round advocacy work.

Now more than ever, as Ward Tour expenses increase due to inflation and thinning city budgets, we're counting on community sponsors to help Bike JC continue to provide safe and high-quality cycling events in Jersey City.

Fundraising from sponsorships and donations will be put towards Ward Tour expenses such as permit fees, police support, printed materials, volunteer T-shirts, bathrooms, advertising, safety equipment, and other operational expenses. Throughout the year, funds will also be used for advocacy campaign materials, bike education, spares and tools for our free bike repair program, vests and radios for ride safety, and more.

All fundraising helps to support our mission of a safer, more equitable transportation system in Jersey City and beyond.

THANK YOU!
